

I do not agree Sinclair Broadcasting should air an anti-Kerry documentary days before the election.

These are free air waves and as such, have certain regulations. If they are allowed to air "Stolen Honor" they are required to also air "Going Upriver" shortly after and before the election.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
